Our Kindergarten room is bright and cheerful looking and invites the children in for a wonderful time of learning. It has an outdoor exit to the wooded playground area which is spacious, completely fenced in and a great place for large muscle play. The Kindergarten room has many windows to observe God's wonderful creations of deer, squirrels and birds of all kinds. A great atmosphere for learning about nature and of God's many blessings.

The Religion Curriculum is called "One in Christ" from Concordia Publishing House. It consists of Bible stories, verses and activities to reiterate the word of God each and every day of the week. We use lesson leaflets, story cubes, puppets and so on, to implement each day's lesson.

Academic Benchmarks are met through our curriculum. We recognize the Ohio Department of Education benchmarks and teach the Common Core / Standards for each subject matter in our curriculum. Studies in Math, Language Arts, Science, Social Studies, Spelling, handwriting, Vocabulary, Art, Music and Phys Ed. are courses that are worked on each week.

The Kindergarten Class, will take several field trips which are scheduled according to outside units and seasonal changes. Educational trips can coincide with classroom studies. Speech, Hearing and Vision Screenings are offered at the beginning of each school year. There is Every Friday Chapel each week that the children enjoy.

The Fairfield County District Library, brings book collections to each teacher's classroom in conjunction with each month's teaching theme. Each classroom has an individual Library for each child's availability to enhance literacy development.
