Message From the Pastor

Dear Friends;

Greetings In The Name of Jesus;

Isn't it wonderful to see the rebirth of spring! Nature it seems comes alive again in the spring, reminding us of second chances and new life.

Easter is a time of rebirth, when the Church celebrates the resurrection of Jesus Christ from the grave.

God gives to us new life in the waters of Baptism. In these waters God makes us His children. If your child is not baptized, I would be happy to speak to you about Baptism. Please let me know if I can assist you or answer any questions!

May the Lord continue to surprise you with His goodness!

In Christ,
Pastor Davidson

Message From the Administrator

Dear Friends,

There is an old saying which states: “April showers bring May flowers.” This simple statement, that each of us has learned from our youth, reiterates a simple truth, that is, that the rains that we have experienced (and will experience in the month of April) will water the earth so that the flowers and their fruits of the earth will grow. This is a simple yet profound truth, one which we trust will be true throughout our lives, for, if the rains do not come, then the fruitfulness we expect will be lacking.

You have been a part of our Early Childhood family for almost seven/eight months now. The children have daily received the benefits of being enrolled in our program. Daily they have been instructed in the love of Jesus Christ. The children have been a blessing to us, and we pray that the Word which we have planted in their hearts will be a blessing to them and our community in the future.

We trust God will continue to bless His children. Yes, April showers will bring May flowers, and God's Word will continue to accomplish what He wills in the hearts and lives of His children.

Blessings,
Mrs. Daubenmire
