

## Outdoor Chapel

We have decided to hold Chapel outdoors, weather permitting. Along with our One in Christ curriculum, just like daily Sunday School, we will have Bible lessons, singing, handouts and lots of fun outside under the shelter house. We may do "Zoom Chapel" during the "snowy" months. Ask your child what they learn have learned . Bring your child dressed for the weather. The only days that we will not go out, is if it's raining or snowing.

## Fairfield County Fair

School closed on Thursday Oct. 15 & Wednesday Oct. 16 for the Fair. Childcare remains open to those already enrolled. Unable to take new students.

Do you follow us on Facebook?

Ask your children what activity they like best to participate in on the bike path.

Pics on Facebook, Go to your FB account and type in Redeemer Lutheran School and Child-care.

## Reminder

Don't forget to mail in your payments if you have chosen the monthly payment schedule for Preschool or Kindergarten tuition. You can also call in a credit card number to leave on file or pay a month at a time, whatever you prefer.

Thank you!

## 2020 Pandemic Safety

We know that singing is a pretty good way to transmit anything viral so... we are focusing on the outdoors for some instruction time on a daily basis. Reading books, singing songs, snack, and more will be outdoors. Our classroom windows will be open and the classrooms & toys are diligently cleaned on a daily basis.

Doing all we can to keep COVID-19 away! Thank you Jesus for watching over us.
