

A Message From the Administrator

Dear Parents;

Part of our job as Early Childhood Educators is not only to teach social, emotional, developmental and academic skills to the children, but also to introduce a spiritual foundation through our religion curriculum (**ONE IN CHRIST**).

To us, there is nothing more important than to teach a child about Jesus! Our "Sunday School" type religion lessons each week that are instilled in the children by Bible stories, Bible verses with multiple ways of presentation, are the reason we are here.

Children are a gift from God—each and every one of them. We pray everyday that God leads and directs our paths when you entrust your children to our care. Your children are prayed for daily. The children have learned to pray, recite Bible verses, and tell others of our Bible stories. How wonderful it is to hear a child pray at lunch or dinner when they are out in public and can witness to others. Praise Be to God.

In His Service,
Mrs. Daubenmire

NATIONAL LUTHERAN SCHOOLS WEEK

Jan. 24 —30, 2021

The Son of Man came not to be served but to serve, and give his life as a ransom for many (Matthew 20:28)

National Lutheran Schools Week is an occasion for joyful recognition and celebration. As The Lutheran Church—Missouri Synod, we celebrate the history and significance of Lutheran schools. Lutheran schools make an impact across the country and around the world. Tens of thousands of families enroll hundreds of thousands of children in Lutheran schools. However, what is most significant about Lutheran schools is that they worship and teach about God.

This year's theme is Sent to Serve. We thank God for the opportunity for the children we serve. We are most grateful for the opportunity to share Jesus' amazing love with children and their families.

National Lutheran Schools Week gives us an opportunity to proclaim these great blessing within the communities we serve.

Our schools are amazing incubators for faithful witness of God's love for us through Christ by teachers and students alike.
