Redeemer Lutheran Pre-School exists for the primary purpose of leading children to the divine Shepherd, Jesus Christ, their Savior *"Let the little children come unto Me and forbid them not, for such is the Kingdom of God".-Mark 10:14. By leading children to know, trust, and believe in Jesus Christ as their loving Savior, we help guide them to a happier, richer life on earth and to the eternal joy of heaven. We strive to help the children know what God expects of them as believers and to learn to conduct themselves in a way that is pleasing to God. In this way, the development of a child's positive self-concept is developed, nurtured and established.*

*It is now widely believed that half of one's total development occurs **before** the child reaches the age of 5 or 6. It is therefore, important for each child to have a rich, stimulating, hands-on environment in these formative years, with many opportunities for the intellectual, physical, social, emotional and spiritual growth matched to their present developmental level. The task of Christian teachers at Redeemer, is to help our children attain maximum development so that they will be able to build on a positive early experience and contribute their God-given abilities to better serve the Lord.*
