

A Message From the Pastor;

Dear Family Members of Redeemer Lutheran Preschool and Kindergarten,

Grace, mercy and peace be to you and yours in Jesus Christ our Savior!

The Psalmist writes; "I will say to the Lord, "My refuge and my fortress, my God in whom I trust." For He will deliver you from the snare of the fowler and from the dead pestilence." (Psalm 91:2-3).

The Psalmist professes his faith in the Lord during times of trouble. Note two things that God does, he protects and He has power over the many perils of life. Certainly these are troubling times! Our nation hasn't seen something like this since the Spanish Flu pandemic in 1918. Then, as now, churches, and schools were shut down until the crisis passed. The people who suffered through that pandemic learned to trust in the Lord. How do we know? Church attendance and participation in the church increased once the pandemic passed.

The question for us today is that are we learning our lesson? The Psalmist reminds us that "because he holds fast to me in love I will deliver him, I will protect him because he knows my name." (Psalm 91:14-15). The truth of the matter is this: God assures us that He will be an ever-present help in times of our trouble and that nothing will ever separate you from God's love.

My prayer is that you will know for certain that Jesus loves you and your family during this time of trials. Turn to Him, trust in Him to help you, for His promise is that He will deliver you in your time of need.

May the Lord surprise you and yours with His goodness!

In Christ's Service and Yours,

Pastor Davidson

Dear parents, Most of you know by now, that I am retiring this fall after 32 years of employment at Redeemer. I am both at peace and excited to have made this decision. Redeemer has brought forth so many blessings in my life, with the relationships that have been established, the love and education of the children, the staff camaraderie and the continued learning opportunities. I am most joyful for the fact that I am a grandparent and are now able to be a much more active one, in my children's lives with my little ones, and one on the way.

God has provided and guided everything that I have done in my life. As I look back at my years (more than 1/2 my age) spent at Redeemer, it has been an incredible journey. What a learning experience filled with love, education, and fun. The time sure has flown by awfully fast! I take with me a sense of GRATITUDE, peacefulness, and enthusiasm for the future. It has been a pleasure to serve you and the families of Redeemer for decades.

Interviews began for my replacement and I will keep you posted! A Director of Christian Education should be in place by the end of the summer and everything will be set for the upcoming Fall session 2021/22 school year...

Sincerely, Mrs. Becky Daubenmire
