

REDEEMER LUTHERAN SCHOOL

2022-2023 TUITION SHEETS

Redeemer Lutheran School Tuition is set for the entire schoolyear (9 months Pre-School / 10 months Kindergarten)

You may pay the tuition several ways in whole, 1/2 payment, 1/4 payment, monthly or even weekly payments can be arranged. When your registration fee is accepted with your application, you are agreeing to fill that spot and pay the entire tuition amount based on the program you choose. If you choose the monthly payment option using the coupons below, please note it is a 12 month payment plan to make it more affordable. We accept checks and all major credit cards.

Tuition is due the first of the month and all accounts that are paid past the 10th of the month will be subject to a \$25.00 late charge. Cashier's check, or money order must replace a returned check. This payment will include a returned check charge of \$25.00. If we receive more than 2 NSF charges from your bank, then our policy is to have you pay by money order or cashier's check for the remainder of the year. There is no reduction of tuition for short months, sick/snow days, holidays or vacations. The tuition amount is for the entire school year.

If you decide to withdraw at any time, you are responsible for the entire remaining balance that you carry. The only time that a child is withdrawn would be if they are not toilet trained or for behavioral issues. These 2 reasons are at the Administrators discretion, and your account would be discussed at that time.

Delinquent accounts, past 45 days, risk losing your child's school "spot". You will be notified by the Administrator in writing of your account status. Often we have waiting lists for the classes and can fill vacant spots immediately.

Please use these tear off coupons with your payment to ensure proper credit to your child's account.

Kindergarten 1st tuition payment is due by August 10.

Pre-School 1st tuition payment is due by September 10.
