

Dear Family and Friends,

I was riding in the car with my grandson this past week and he exclaimed, "Look, a butterfly." Yes, it is butterfly season and soon we will see butterflies in abundance.

The butterfly is a great picture of what Jesus has done for each of us. The caterpillar goes into its cocoon in the winter, and then emerges from the cocoon in the spring as a butterfly. The butterfly is an appropriate symbol of Easter, for Jesus died and entered the tomb on Good Friday, only to emerge as the Resurrected One on Easter. He who died now lives forever. And the Great Good News is this: Jesus is the Resurrection and the Life, whoever believes in Him even though that person will die will live forever with Jesus!

Would you like to have that assurance? If so, I would be happy to speak with you about how you can know for certain that our Redeemer lives! You are cordially invited to our Easter morning services at 7:30 or 10:15 where we will celebrate the new life Jesus gives.

May the Lord surprise you with His goodness!

In Christ,

Pastor Davidson
