

Dear Redeemer Families,

The Bible says: "As for man his days are like grass" (Ps 103:15). I am reminded of this verse as I get ready to go out and mow the lawn! Grass and plants flourish in the spring due to the warmer weather and seemingly unending rains. How quickly grass grows!

This past school year our staff has witnessed the growth of your child. We have seen your child grow physically, intellectually, emotionally, and spiritually. We give thanks to God that we have had the privilege of being a part of your child's development. It is my prayer that your child continues to grow and apply the learning that was imparted here at Redeemer. And it is my fervent prayer that the faith that we have shared with your child in the love of Jesus will be not only a part of their life but your life as well.

Thank you for being a part of our program. If we can be of any assistance to you in the future, please let us know. Have a great summer and may the Lord bless and keep you in His care.

In Christ's service and yours,

Pastor Davidson

Thank you! Thank you!

End of Year Clean Up

Please contact your child's teacher to see what you can do to help clean up the classroom. All toys, materials and activities are washed and packed away each year. This is an enormous task so any help is welcome.

~Thank You~

Dear Families,

Beginning with our summer session Redeemer will be changing to a new billing system called Procure. Procure is an online system. Families will download an app to their computer or mobile device. Invoices and payments will be sent & received through the Procure App. In addition to billing, the Procure App will be used for attendance newsletters and classroom communication.

Families enrolled for summer childcare will receive a Procure Invitation in early May. Families enrolled for the 2022-2023 school year will receive an invite in late July/ early August.

Thank you for your patience as we begin to use this new system.
