

REDEEMER LUTHERAN SCHOOL 2023-2024 TUITION PAYMENT PLANS

Redeemer Lutheran School Tuition is set for the entire school year.

With the 2023-2024 school year, Redeemer is using the Procure App for invoicing and payments.

Procure accepts credit cards, debit cards and ACH withdraws. Families may pay the school directly by checks, cashier's check or money order. All credit cards must run through Procure.

You may pay the tuition several ways: whole year, 1/4 payment, or monthly. When your registration fee is accepted with your application, you are agreeing to fill that spot and pay the entire tuition amount based on the program you choose.

Tuition is due the first of the month and all accounts that are paid past the 10th of the month will be subject to a \$25.00 late charge. Cashier's check, or money order must replace a returned check. This payment will include a returned check charge of \$25.00. If we receive more than 2 NSF charges from your bank, then our policy is to have you pay by money order or cashier's check for the remainder of the year. There is no reduction of tuition for short months, sick/snow days, holidays or vacations. The tuition amount is for the entire school year.

If you decide to withdraw at any time, you are responsible for the entire remaining balance that you carry. The only time that a child is withdrawn would be if they are not toilet trained or for behavioral issues. These 2 reasons are at the Director's discretion, and your account would be discussed at that time.

Delinquent accounts, past 45 days, risk losing your child's school "spot". You will be notified by the Director in writing of your account status. Often we have waiting lists for the classes and can fill vacant spots immediately.

Kindergarten 1st tuition payment is due by August 10.

Pre-School 1st tuition payment is due by September 10.

Lambs \$ 1,260.00/Year

- Quarterly payment plan : \$ 315.00/ quarter
- 9-month payment plan : \$ 140.00/ month
