

Dear Redeemer Parents,  
Greetings in the name of Jesus!

The month of March brings with it the Festival of St. Patrick's Day, the day when everyone who is Irish (and those who aren't as well) wear the color green. Did you know that St. Patrick was a pastor? He was a pastor who lived in the country of Ireland and St. Patrick sought to tell everyone that God so loved the world that He gave His Son Jesus to save sinners from sin, Satan, and death.

The message that St. Patrick shared is one that we share with your children every day. God loves you! God loves your children! As we celebrate St. Patrick's Day, we also look forward to celebrating the days when Jesus died on the cross and rose again on Easter Sunday morning. If you would like to learn more about how much Jesus loves you and your children, I would be honored to share the message with you. If you have no church home, please consider making Redeemer your church home and join us for worship every Sunday morning at 10:15.

May the Lord surprise you with His love!

In Christ, Pastor Davidson
