# REDEEMER NEWS

Dear Redeemer School Family,

Dear Redeemer School Family, Take a drive around Fairfield County and you will either see fields that are being harvested or fields in the midst of being harvested. November is Harvest Time, when the seeds planted in the Spring now have sprung up and have borne fruit. Our mission at Redeemer is to plant the love of Jesus into the hearts and lives of the children in our school. As we plant the seeds of God's love, those seeds of faith are watered as your child continues to learn about Jesus and His love for them. Then, throughout their lives, we pray that these very same little ones will not only grow in their faith, but that they will show their faith to others, in their love for Jesus and in how they treat others. As we celebrate the harvesting of crops, culminating in the day we call Thanksgiving, I pray that you and your children will continue to grow in faith in Jesus, showing that faith in how they live their lives.

Blessings,

Pastor Davidson
